and we get letters...

Dear Baby Huey,
You are my favorite Harvey Character. My two favorite stories are "The Baby Sitter" and "The Monster Sale." I like to read your comics a lot because you are so very funny. My name is Teresa. I am eight years old. Me and my mom love to read your comics. What is your favorite kind of sandwich? Is it bacon? I like bacon sandwiches. Do you go to school? I am in grade three. Will you write this on the back of a Baby Huey Comic?
Your #1 fan, Teresa Bulischak
Russell, Manitoba, Canada

Dear Teresa,
Oh, boy! Oh, boy! I got another fan letter, and it's from a girl with such a pretty name! I like your name, Teresa, and I especially like sandwiches! I like sandwiches with pickles and cheese and mustard and lettuce and of course—bacon! Sometimes I make my sandwiches so tall that I have to push down on its top to make it small enough to fit in mouth! But the last time a I make a sandwich, Teresa, I made too tall! When I pushed down its top, it exploded all over the kitchen! From now on, Teresa, Papa says I have to let Mama make my sandwiches.

Dear Little Dot,
I have four of your comics, and so far, I think you are the best! My favorite color is blue. I absolutely love to read books. What is your favorite thing to do?
Your friend, Kimberlee Jensen
Fielding, UT

Dear Kimberlee,
Blue is one of my favorite colors too, Kimberlee, then again, I like just about any color—as long as it's on a dot! When I'm not collecting dots, one of my favorite things to do, just like you, is read books! I have big books and little books, but my favorite book is a round-shaped book! And as you might have guessed, Kimberlee, my round-shaped book is a book about dots!

Your friend, Little Dot

Dear Richie Rich,
I think you should tach Reggie a lesson by getting the Professor to build a robot just like Reggie, only meaner, and send it to his house. I used to read a lot of other comics, but now, I only read yours. Whenever I find a comic of you, I'll sit down on the floor and read it! I think you should get Reggie and Mayda together. She might like him! I bet if you and Gloria got married, you would buy the biggest diamond ring ever!
Your #1 fan, Jatanna Clifton

Dear Jatanna
Having Professor Keenbean build a Reggie robot is a great idea, Jatanna, that way Reggie would finally get a taste of his own medicine! In fact, Jatanna, as soon as Professor Keenbean heard your idea he starting building the robot, and he just now completed it! Professor Keanbean is a great inventor, but sometimes his inventions are too perfect, Jatanna! The Reggie robot is so much like the real Reggie that we can't get it to behave! And now, Jatanna, we have two Reggies on our hands!
Your friend, Richie Rich

Dear Hotstuff,
You are the coolist, reddest comic book character. I got my first comic book of you on November 3, 1993. Why don't you listen to Princess Charma? Do you have a comic book collection?
Your friend, Ashlie Ros
Naperville, IL

Dear Ashlie,
I don't mind being the reddest comic book character, Ashlie, but instead of being the coolist, how about making me the hottest! Princess Charma may be one of my best friends, but this little devil doesn't listen to anybody! Maybe that's why I always find myself in big trouble! Princess Charma always tells me not to tease the volcano people, but I just couldn't help giving the funnly-looking one with a beard a hot foot! How was I to know he was my Uncle Smedly? To answer your last question, Ashlie, I do have a comic book collection, but the only comic book I like to collect is Hot Stuff!
Your pal, Hotstuff

Dear Casper,
I like it that you are so nice to people. Who's your best friend? Mine is Jessica DeWeerd. I would like to ask you some questions, like why does the Ghostly Trio like to "boo" and you don't? Do you like any girls? I like you a lot Casper.
Sincerely, Nicole Brugger, age 9
Holland, MI

Dear Nicole,
To answer two of your questions at once, Nicole, one of my best friends is Wendy the good little witch, and she's a girl! To answer your other question, I don't like to "boo" because that wouldn't be very nice and then nobody would want to be my friend! As you might have notice, the Ghostly Trio don't have any friends, and it's all because of their awful "booing." The funny thing is, Nicole, the Ghostly Trio keep scratching their heads and wondering why I get so many fan letters, and they don't get any!
Your friend, Casper
